

INSIDE THE **AviusULD** ASCEND JOURNEY KAIZEN™ **Benchmark Visit**

Join us for an exclusive leadership visit at **AviusULD**, a global leader in the air cargo industry.

Experience how the award-winning ASCEND™ transformation program drives measurable operational excellence from strategy alignment to shopfloor execution.

What You Will Experience:

- **Strategic Alignment:** See how Hoshin Planning and the X-Matrix align global strategy with daily operational goals.
- **Operational Excellence:** How process redesign delivered **20% reduction in scan time**.
- **Sustainability & Cost Efficiency:** Explore the technical changes that led to a **75% reduction in scrap** and a **50% reduction in pallet packaging costs**.
- **Mission Control Room:** A behind-the-scenes look at the centralized hub for real-time performance monitoring and rapid problem resolution.
